The Jones Creek Trail Riders Association Proudly Present

1971 - 2018

## Less Mud, More FUN!!

Our traditional New Year's celebration with mud, snow, ice and fun!

The Enduro-X section will be back for 2018 with some new obstacles and a few new twists and turns!

The race is scored using an RFID system. [CLICK HERE](#) for details of how the race will be scored.

We **strongly encourage** riders to take advantage of the [online preregistration](#) process for 2018. [Preregistration](#) streamlines the process for both JCTRA and the [preregistered](#) riders who get to use the much shorter lines! [Preregistration will close at midnight Friday, December 29<sup>th</sup> this year!!](#) [All preregistered riders will receive a free event tee. Preregister now and avoid the lines!](#) [Riders under the age of eighteen \(18\) must have parent present at event to sign waiver!!](#)

For 2018, we are expanding the Side X Side racing to allow three different classes:

Under 900cc, 900cc & Over, All Turbos.

This should help make each class more competitive.

(Please note: All SXS drivers & riders must wear helmets. Drivers under 18 will NOT be allowed to carry a passenger.)
